Natural High Alpine Adventures is not liable for any additional costs incurred by you.

Itineraries

Please note that your guide will choose your destination according to weather, trail conditions/closures, group goals & ability, etc. and changes to itineraries may be necessary en route due to these reasons. Please respect your guides decision as he/she has your safety in mind.

Health & Fitness

As these hiking days can be physically demanding and in a remote

environment it is the recommendation of Natural High Alpine Adventures that you visit a doctor to ensure clean bill of health before leaving on your vacation.

You must advise Natural High Alpine Adventures of any pre-existing health conditions at the time of booking. Failure to do so could result in the exclusion from the trip.

Waivers

Each member of the expedition will have to sign a waiver of liability form in the presence of the trip leader. Any member who does not sign a waiver will not be allowed to participate in the trip.
